Dear Dr. McAllister:

This is to acknowledge your additional contribution of \$500.00, making for a total contribution of \$1,000 to help support the FASEB Symposium on "Cytochrome P450: Advances and Prospects" to be held in conjunction with FASEB meeting on April 21, 1991, in Atlanta Georgia. Your very generous support will be most helpful to us in meeting the expenses of this Symposium and certainly will play a very important role in the success of this program. We greatly appreciate your generosity.

With my best regards.

Sincerely,
